additional space to relax. This house is completed by two fully equipped bathrooms.

Highlights of this property include air conditioning with splits in all rooms, gas heating by radiators, and a design designed to maximize the comfort and tranquility of its inhabitants.

Enjoy a Bünika home!

Sitges, a coastal town in the province of Barcelona, known for its beaches, its cultural atmosphere and its architectural heritage. The property is located in a residential area that combines tranquility with proximity to the city center and beaches. The area has several hiking trails, such as the GR-92, which crosses Catalonia from north to south along the Mediterranean coast, offering opportunities to enjoy nature and the coastal landscape.
